Part A: Pupil premium strategy plan

Statement of intent

You may want to include information on:

- *What are your ultimate objectives for your disadvantaged pupils?*
- *How does your current pupil premium strategy plan work towards achieving those objectives?*
- *What are the key principles of your strategy plan?*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Improve engagement of pupils with challenging learning behaviours
2	Childrens knowledge and skills requires better retention
3	Improving attainment of pupils in phonics, reading and writing across school

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved attainment in reading across both key stages	More pupils achieving national average attainment in KS1 and KS2
Improved attainment in maths across both key stages	More pupils achieving national average attainment in KS1 and KS2
Improved attainment in writing across both key stages	More pupils achieving national average attainment in KS1 and KS2
Phonics – to maintain high achievement in phonics (90%+)	School continues to achieve above 90% by end of KS attainment in the PSC

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 53,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
To provide a booster programme of academic support for PP pupils with focus on phonics, writing and reading	EEF state that small groups with teachers that know the children well make around +4 months extra progress.	2,3
To improve retention of knowledge and skills in order to raise attainment across all year groups	Quality First Teaching and introduction of Accredited phonics and spelling scheme. Revision of Guided reading approach and implementation of new Whole class reading. Revision of writing and implementation of new writing scheme across the school based on Gramasaurus	2,3
Improve engagement of pupils with challenging learning behaviours(1:1 contact support by NM, PP teacher)	Own evidence indicates that close support pupils with challenging learning behaviours aids better engagement and motivation for learning.	1
Booster teacher for 22 hours	EEF state that small groups with teachers that know the children well make around +4 months extra progress.	2,3

Targeted academic support (for example structured interventions)

Budgeted cost: £ 6000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Literacy volunteer to listen to targeted PP readers	Own evidence indicates that close support for parents aids better engagement and motivation for learning from identified pupils	2,3

Switch on reading training for booster teacher	Evidence from Switch on Reading programmes carried out in various schools suggests 'The intervention was as effective with boys as with girls, and appeared to be especially effective for low-attaining pupils and those with recognised special educational needs'	3
--	--	---

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 9704 + £5000 = £14704

Activity	Evidence that supports this approach	Challenge number(s) addressed
Curriculum enrichment	Educational visits, resources/activities to support the curriculum (RWI)	2,3
Breakfast club	A healthy meal at the start of the day prepares the identified pupils for learning	1
After school clubs	Engaging children in extra curricular activities to stimulate learning and engagement in the school environment	1,2
