Dear Parents and Carers,

After Easter we are re-launching the St John the Baptist Richness List as the...

At St John the Baptist we believe in educating the whole child and nurturing life skills to create independent and confident children who believe in themselves and demonstrate perseverance.

Therefore we'd like to set your child the challenge of completing the 100 Club during their time at St John's. Your child may have already ticked off some of the activities on The Richness List, which is at the front of their organisers. We now want to begin celebrating these achievements regularly in our school assemblies as we re-launch as The 100 Club.

The 100 Club is now split into eight different sections (please see reverse). If your child completes a section then they will receive a special **100 Club Certificate** which will be awarded in assembly. Additionally, if they achieve 50 out of the 100 then they will receive a **100 Club Wristband**. Furthermore, if your child manages to achieve all of the 100 activities by the time they leave St John the Baptist Primary then they will receive a special **100 Club T-shirt** which will have the whole list printed on the reverse!

Please take the time to go through the list with your child and circle the ones that they have already achieved. For example, No.100 is to make their bed each morning and obviously all of the children will have achieved that one! (Tee-hee!)

It would be brilliant to celebrate your child's achievements in assemblies or on display in school, so please take a quick photo of your child completing an activity and email it to:

the100club@st-johns-pri.notts.sch.uk

If your child wants to draw, write or create something to achieve an activity then we would also love to put these on display for all to see.

Once again, thank you to all parents for your wonderful support.

If you have any questions then please direct them to Mrs Haythorn.
